

I have been young, and now am old, yet I have not seen the righteous forsaken or his children begging for bread.

Psalm 37:25

Store In My Heart

Psalm 119:11

Your word I have treasured in my heart, That I may not sin against You. (NASB)

I wanted to visit this verse again as it has been on my mind over the last few weeks as I prepared for the new videos. I used the ESV in forming my title, but I really like the idea of “treasured in my heart” as it seems to emphasize the importance of what we are keeping. We all have storage and it includes things we may have even forgotten we owned. The treasures we put back in a safe place are not forgotten though. Whether it is keepsakes from our childhood or from our children, we know they are there and we keep them safe so we can be reminded.

I want to urge all to treasure Scripture in this way. Keep it safe and hold it dear so that you are never separated from it for it will lead you Home.

New Video Teaching

Dan Henderson

If you read all of the bulletin each week you are aware of the Store In My Heart section on the left side of this page. This section has been focused on helping us keep the Word in our minds by giving verses that would be good for us to have in memory so that we can use them in teaching others and to help our self remain strong in the Lord. I have also included a short lesson that speaks to why I feel the verse is important to consider.

What you may not have known is that each of these short lessons have been available on a website, StoreInMyHeart.com, that anyone can access. It has been available for about three years or so, but I have not done much in the way of promoting it. In addition to this website, I have begun posting video lessons for these same verses. Each video is around five or ten minutes long and is an expansion of the thoughts I put in the original short posts. I plan to do a little more promotion for these videos and the website that contains the original posts.

I will be posting links to the videos on my facebook page. I have already posted two videos and expect to post at least one each week. Until I get more subscribers for my youtube channel this will probably be the easiest way to find them for most people. I plan to include a link on the Tanner St page in the next few weeks. I hope these videos will be helpful in keeping our minds on God’s Word. I have received good comments to the ones posted so far. Use them if you can.

Jesus Loves Me, Older Version

"When I was asked to come here today and talk to you, your pastor asked me to tell you what was the greatest lesson ever learned in my 50-odd years of preaching. I thought about it for a few days and boiled it down to just one thing that made the most difference in my life and sustained me through all my trials.. The one thing that I could always rely on when tears and heart-break and pain and fear and sorrow paralyzed me ... the only thing that would comfort was this verse ...

"Jesus loves me this I know. For the Bible tells me so.
Little ones to Him belong, We are weak but He is strong.....
Yes, Jesus loves me.... The Bible tells me so."

The old pastor stated, "I always noticed that it was the adults who chose the children's hymn 'Jesus Loves Me' (for the children of course) during a hymn sing, and it was the adults who sang the loudest because I could see they knew it the best."

"Here for you now is a Senior version of Jesus Loves Me":

Jesus Loves Me

Jesus loves me, this I know, Though my hair is white as snow
Though my sight is growing dim, Still He bids me trust in Him.
(Chorus)

Though my steps are oh, so slow, With my hand in His I'll go
On through life, let come what may, He'll be there to lead the way.
(Chorus)

When the nights are dark and long, In my heart He puts a song..
Telling me in words so clear, "Have no fear, for I am near."
(Chorus)

When my work on earth is done, And life's victories have been won.
He will take me home above, Then I'll understand His love.
(Chorus)

I love Jesus, does He know? Have I ever told Him so?
Jesus loves to hear me say, That I love Him every day.
(Chorus)

(I have no idea who wrote this. I saw it online and it touched a chord within me. I know Jesus Loves Me has always been a comfort and help to me in times of trouble. Maybe these 'new' verses will help us remember He loves us ALL. If we serve God, He will always be with us and we can know He will assist us through any trial we may face. Yes, Jesus Loves Me! DLH)

We seek only to serve God according to His Will!
